Boyd's Directory,

Reading, Pa.

Gentlemen:--

It might interest you to know that we have been advertising now in Boyd's Directories for 27 years successively, starting at first with Boyd's Reading City Directory and eventually advertising in the Boyd's Directories covering other towns because we found that the results warranted our action.

We find that your D rectories are in constant use and therefore keep ur advertisement constantly before the eyes of the public and we know of no cheaper and proportionally more effective general advertising than in your Directories and for this reason we are glad to again renew our advertising with you. Many a well pleased customer has told us that he was directed to us by seeing our advertisement in your Directories and was glad of it.

As a matter of fact, as your Directories grow with the population so their value as advertising mediums grow, therefore we intend to stay with you in the future as in the past.

We also wish to compliment you on the thoroughness of your work and the courteous treatment you have always accorded us and we choose to hand you this "bouquet" while you are living because you deserve it.

Wishing you continudd success, we are,

Sincerely yours,

THE WM. F. REMPPIS COMPANY.

Wm. F. Remppis
President.
